

Caledonia County

Natural Resources Conservation District

Caledonia County NRCD Board Meeting
St. Johnsbury USDA Office
June 8th, 2026

Agenda

Open meeting – Board

Approve May meeting minutes – Board

Plant Sale reflection – All

- How did we feel about our level of involvement this year versus what we got out of it?
 - 46 hrs spent on outreach & working directly at the plant sale, at a billable rate of \$60/hr = \$2760; receiving \$700 from OCNRCD
- What should our involvement be next year?
- How does this fit into our goals around presence and community engagement in Caledonia County as an organization?

Local Fund Pool update – All

DM Performance Review – Board

Project updates – Emily

- NEK Union capacity building RFP process update
- Sleepers Weir, Lazy Mill Rd culvert, and Stannard Mtn Rd culvert all have hired construction contractors & pre-construction meeting dates/time frames
- Governor Mattocks Rd design – Fitzgerald Environmental
- Jackson Dam project update
- Grant applications submitted
 - LISFF pay for practices application (through Windham County NRCD)
- Ongoing work on financial management
 - Proposal from Dave Dore

Summer meeting schedule
